

2021 COVID Response

At their Spring 2021 meeting, The Executive Committee and Mission Board approved this policy:

"Due to several factors including legal liability, guidance by our insurers, and a desire to maintain good relationships with the various communities in which our Convention entities operate, we affirm that KNCSB staff are correct to honor and administer applicable local health policies for KNCSB events."

As of April 13, 2021, Saline County has no mask ordinance or occupancy restrictions.
If this situation changes, we will follow the county guidelines that in effect at the time of the event.
