

# new for 2008

## late Night

Late Night will take place each Tuesday-Thursday evening of camp. It will be an exciting time of games, music, videos, laughter and audience participation.

Tuesday night: Concert

Wednesday night: Games and videos

Thursday night: Give-aways and auction (*As part of the B.L.A.S.T. team competition, each team will design a t-shirt. The shirts will be auctioned on Thursday night and all monies collected will go to missions.*)

## B.l.a.s.t. colors

Upon arriving at camp, everyone will be assigned to one of four B.L.A.S.T. teams. (B.L.A.S.T. stands for Bringing Leaders and Students Together.) Each day there will be competitions between the teams and points will be awarded for things such as participation, teamwork and enthusiasm. The four team colors this year will be: red, blue, orange and green. (Because we sometimes have to make last-minute adjustments to keep the teams even, no one will know their team color until they arrive at camp.)

## afternoon options

In addition to all the recreation options, there will be an optional class session offered each afternoon. Each day's class option will be different, but all will focus on some aspect of missions and reaching our world for Christ.

Another new option for students during the afternoon free time is to participate in a service project at Webster Conference Center. Each afternoon students can sign up to help with WCC projects.
